Comment:

a. It is known from numerous reports that component units of the Eighth Gds Army (predominantly units of the 39th Gds Mts Rifle and the 20th Gds Mecz Div) have been at the OHRDRUF troop training grounds since the spring of 1949.

b. The statement that 20,000 to 30,000 troops were located in the OHRDRUF area is considered to have been an approximately correct estimate.
